**THE
CAMBERWELL
ARMS**

ABOUT

We love Christmas at The Camberwell Arms and our winter menu is the talk of South London. Come join us during the festive period to see what all the fuss is about.

Menus are designed to be plentiful and served 'family style' in true Camberwell Arms tradition.

During our Christmas period we ask that groups of 10 or more opt for a Christmas menu, and these menus are available for tables of a minimum of four covers. Menu choices must be selected in advance and we require 10 days notice for menu choices and dietaries.

We ask that one menu is selected for the entire table. Almost all dietaries can be accommodated with prior notice, just let us know.

Contact joanna@thecamberwellarms.co.uk for further information or to make your booking.

See you with bells on!
