## WHAT WE OFFER

---

### *CREATIVE HIGH QUALITY FOOD-FOCUSED*

Our food and quality of our ingredients are at the core of what we do. Chef Director, Michael Davies is at the helm, working alongside Frank Boxer (Frank's Cafe, Peckham) and James Dye (Peckham Springs).

You won't find a menu of tulle, jellies and foams, but rather a menu that focusses on prime ingredients, peak seasonality, and taste. Taking cues from hosts, our aim is to avoid overcomplicating naturally bold flavours and serve dishes in an informal, convivial and familial manner.

We know the best accompaniment to any dish is exceptional service. To this end we fully staff all our events with a dedicated and knowledgeable team. We also offer packages which include a dedicated event manager for your big day who will not only be on-site from start to finish to oversee every detail, but will be available in the build up to your big day to answer any questions and provide any additional services you may need.

These include floral arrangements, wedding cakes, furniture hire, bespoke stationary, full service cocktail bars and much more.

*“Giving people what they want —  
and probably more than they expect —  
seems the guiding principle”*
